

# Leading a Whole Education - Trusts

## Learning exchange and visits

*Helping teams of trust leaders learn from each other and experts on approaches to providing high quality whole education across a trust*

### Key design features

The series has been co-designed with Trust CEOs. It is designed to offer support they would value which is not currently available.

- + WE values-led
- + Networked and collaborative
- + Personalised and flexible
- + Value priced and time efficient

### Who in your team is this for?

This series will have significant interest to Trust CEOs, and is designed so different members of your trust leadership team can also engage and benefit, including:

- + Executive principals
- + Trust Headteacher
- + Cross-trust leaders
- + Trustees/board members
- + Aspiring trust leads

### Apple HQ: International Leaders

Participant CEOs will have exclusive access to the *Apple International Leaders Programme* at Apple HQ in Cupertino California- programme and expenses paid!

- + Leadership insights and lessons from the Apple organisation
- + Learning technologies that enhance pedagogy
- + Creating high performance organisations
- + A developing relationship with Apple.

### Benefits at a glance

- + 4+ trust learning visits to choose from
- + 3 peer learning and exchange Sessions
- + Build a network of 20+ trust leaders
- + National and international expert input
- + Coaching and peer group support
- + Apple International Leaders Programme

### Trust Learning Visits

Visit Trusts delivering a high quality whole education at scale for a 'deep dive' including:

- + XP Trust
