

Whole Education Trust Membership

Join a vibrant network of trusts from across the country to share best practice, evolve through support for the challenges you're grappling with, realise the future ambitions you have for your trust and develop an education that enables young people to thrive in life, learning and work.

Why WE trusts membership?

WE focus on developing great relationships with our trusts through robust diagnostic processes and superb relationship management.

WE create collaborative networks, connecting you with trust leaders who have shared development priorities.

WE inspire you with expert inputs from renowned educationalists with a national and global perspective of education.

WE amplify your opinions of the education sector, influencing others and the system.
